3. Click the box indicating that you are 18 years or older.
4. Select the 2010-2011 season.
5. Click the button for whom you are registering and complete the player/coach information. Please note that the information for players must exactly match information on the player’s birth certificate. For example, if the player’s name reads “Thomas Joseph Doe” on the birth certificate, but the player goes by Joey Doe, you must enter Thomas or T. Joseph in the box for first name.
6. Although e-mail address is listed as optional, you must provide it in order to receive the confirmation notice, which you must then print and bring with you to the in-person registration.
7. Please include the names and addresses of both parents of each player.
8. You must click the box indicating that you accept the terms of the Waiver of Liability, Release Assumption of Risk & Indemnity Agreement. This eliminates the need for these two forms in the remaining registration packet.
9. Enter your initials.
10. Confirm all information, especially checking that names and birth dates match birth certificates, as mistakes can lead to more paperwork.
11. To register a second player, proceed through the process again and “check out” when finished.

**You must print out the confirmation page upon completing and bring it with you to registration on September 9<sup>th</sup>, 10<sup>th</sup>, or 11<sup>th</sup>.**
